KEVIN ANDREW COLLINS

Age Missing: 10

D.O.B.: Jan 24, 1974

Height: 4'6"

Weight: 72 lbs

Hair Color: Brown

Eye Color: Gray-Green

Gender: Male

Race: Caucasian

Identifying Characteristics: He has a small scar on his tongue. He has dyslexia, a learning disability which makes it difficult for him to read the written word.

Clothing/Jewelry: A San Francisco Giants jacket and his school uniform, which consisted of a white short-sleeved dress shirt, a dark green sweater, brown corduroy pants, and beige Nike sneakers.

Circumstances: Unknown. His photo is shown aged to 39 years. He was last seen around 6:40 p.m. waiting for a bus at the corner of Oak and Masonic Streets in San Francisco, after basketball practice. He was seen talking to a tall, blonde man with a black dog at the bus stop. It is possible that Collins may have been abducted by two Caucasian males driving a four-door, royal blue 1967 Ford Galaxy. He has never been heard from again, and his case remains unsolved..
