CAROL ANN BATTERMAN

Age Missing: 19

Alias/Nickname: Carol Hlavac

Height: 5'4"

Weight: 115 lbs.

Hair Color: Brown

Eye Color: Brown

Gender: Female

Race: Caucasian

Identifying Characteristics: Olive complexion and tanned, freckles on her nose and forehead; heavy eyebrows. She has an oval-shaped scar on her wrist, about 1" x 1" in size.

Clothing/Jewelry: A beige suit, high-heeled shoes, a yellow Provo Township High School class of 1956 ring with a black stone worn on her right hand, and a wedding band with 13 engraved stars and "DB to CH - 5/17/58" engraved on the inside of the band. She was carrying a small white purse (6" x 3-4") containing approximately \$35.

Circumstances: Unknown. She was last seen waiting for a bus outside of the Crown Motel in Oklahoma City at 3:35 p.m. She was taking a bus to her husband's place of work. She never got on the bus and has never been heard from again. She had married just two weeks prior to her disappearance; she and her husband were originally from the Chicago, Illinois area. Batterman left all her personal belongings in their hotel room. A witness reported seeing a gray pickup truck, possibly a 1953 Ford, stop at the curb near Batterman shortly before she vanished. It's unclear if the driver of the truck had anything to do with her disappearance. Few details are available in her case, which remains unsolved.
