Circumstances: The children were last seen at their cabin home on the evening of September 4, 1978. Their mother and aunt had dropped them off and returned to a restaurant named Good Time Charlie's in Sterling. Amy and Scott went to visit their next-door neighbors and returned home. Neighbors passing by the home at 11:45 p.m. noticed lights on in the cabin. When their mother and aunt returned later that night, the cabin was dark. They have not been seen since, and their case remains unsolved.
