Circumstances: Cynthia Leslie and Jackie Leslie were last seen walking together down Baseline Road near Power Road on July 31, 1974 in their hometown of Mesa. Foul play is suspected, and their case remains unsolved. Jackie has a mole on her right cheekbone and she has pierced ears and was wearing blue jeans and a summer shirt and was carrying a white hair brush. Cynthia has a dark brown mole on the outer side of her right armpit. She wears eyeglasses, but may not have been wearing them when she vanished. Her nickname is Cindy. She has pierced ears.
