Missing since November 9, 2009
from Williams Lake, British Columbia, Canada

TYLER WALTON

Age Missing: 26

D.O.B.: Unknown

Height: 5'11"

Weight: 150 lbs.

Hair Color: Brown

Eye Color: Brown

Gender: Male

Race: Caucasian

Identifying Characteristics: He usually wears a full beard and is in good physical shape.

Circumstances: Tyler was last seen on November 9, 2009 at approximately 7:00 p.m. in Williams Lake, and has never been seen again. Tyler is an outgoing person whose disappearance is very uncharacteristic. An investigation into his disappearance has determined that Tyler was involved in the drug trade at a very low level. Given the inherent risks associated to that lifestyle, police cannot discount the possibility that involvement in the drug trade may have played a role in Tyler's disappearance. Police are also looking for any information in regards to a pair of unidentified males who were seen driving around with Tyler just before his disappearance. On at least one such occasion, the trio were seen together in Tyler's own vehicle. Tyler's financial and telephone records have shown no activity since he vanished. His whereabouts are unknown and his case remains unsolved.
