

THE SQUEAKY WHEEL® TOUR

EVENT INTRO PARAGRAPH:

(For event participants to read)

The 2020 Squeaky Wheel® Tour is a milestone that marks "20 years of Searching". **Gina Bos** vanished in the early morning hours of October 17, 2000 after a performance in Lincoln, Nebraska. Her disappearance inspired partnerships with artists, media, and community members in a focused effort to find local missing. Over the past 20 years, thousands of missing people have been highlighted at events around the world and hundreds have been found. We ask that you join the 20 years of voices that have gone before you by sharing a flyer and asking others to share. Your voice, your share, your effort could be the one to bring them home. The **Squeaky Wheel® Tour** is a program of **GINA for Missing Persons FOUNDation**. To find out more or to donate go to www.411GINA.org.
